Name a New Rose!

Here is your opportunity to have the pleasure and honor of naming a new Rose. This is not only a new Rose but even more it is the first of a new type of Roses. The class may properly be called dooryard Roses for they are admirable for planting in the yard near the house.

This Rose, with light pink blooms which are fragrant, is almost always in bloom and is perfectly hardy. They grow to about 2 feet in height and broaden out at their top 2 to 3 feet, making a wonderful bush.

Every person ordering \$2.00 or more of Roses for Fall delivery has the privilege of submitting one name for this marvelous new Dooryard Rose.

The lucky person who first suggests the winning name for this new beauty will not only have the honor of naming a new Rose, but in addition, will receive FREE a half dozen plants of the new Rose.

Only one name allowed to a customer.

In case 2 or more suggest the winning name, the first one submitted wins the prize.

Write or print your name and address on the back of this paper and submit your name suggestion here —
